ABOUT 80 STEERS!

DINNER MEETING: An informal dinner meeting will be held at **THE OX YOKE INN**, at Amana, Iowa on Friday evening, Sept. 20, at 6:30 p. m.

HAWKEYE DOWNS PICNIC: This year our picnic will be held on Sept. 15, at Hannan Lake, two miles south and one mile west of Blairstown, Iowa. From there we will proceed to the Grunewaldt Inc. farms, to view their large cow-calf operation, only a mile away. This should prove to be a most educational affair, as they are one of the leaders in performance testing work in the state of Iowa, and have been using Shorthorn bulls in their program. They also maintain a small purebred herd. The information obtained from this day, I am certain, will help all Shorthorn people better merchandise their stock into commercial herds, and establish the value of such. All are invited. Drinks and ice cream will be furnished. Potluck dinner at 12:00 noon.

Catalog Lithographed by MWM Color Press, Inc., Aurora, Mo.

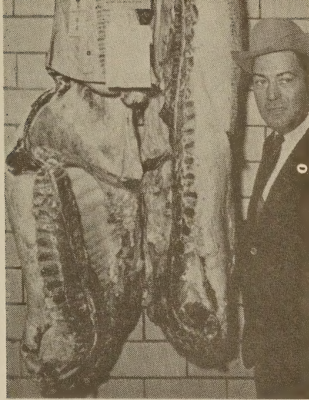

General Information

TIME: Saturday, September 21, 1968. Show at 8:30 A.M., Sale at 11:00 A.M.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa on U.S. 30, and U.S. 218. On paved roads between Cedar Rapids, and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. We will follow the practice of giving the consignor the opportunity to state a "reserve bid" or have the auctioneer announce "No Sale" on any animals. In case of a "no sale", the seller pays the regular pro rata sale expense, but there will not be any manager's fee. However, if any animals are "By-bid", there will be due the manager's fee. It is our hope this would discourage this practice.
6. A certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives, or call them the day of the sale.
9. Auctioneer: Dick Kane, Wisner, Nebraska.
10. Special Representatives: Gene McDonald of the Shorthorn World; Wade Hauser, Jr., Wallace Farmer; Ted Aegeter, American Shorthorn Association; Wayne Farnum, Victor, Iowa; and Bob Sherrard, St. Ansgar.
11. Clerk: Keith Noll, Vice-President, Peoples Bank and Trust Company, Cedar Rapids, Iowa.
12. Veterinarian: Dr. O.R. Corbett, DVM, Vinton, Iowa.
13. Sale Manager: Allen A. Johnson, Rt. 2, Vinton, Iowa, Phone: 319-472-2963. Assistant Manager, Earl S. Gorton, Box 732, Marshalltown, Iowa.
14. The sale manager or others may be reached by phone listed at Hawkeye Downs, 6th Street, 363-4341.
15. Livestock insurance may be obtained in the American Livestock Insurance Co. Talk to the sales manager.

Tom Reedy with the winning carcass.
1967 International

Judge - Tom Reedy

We feel we are extremely fortunate to obtain this noted judge and Shorthorn breeder to judge our pre-sale show. He is especially well-known in this area through the good job he did judging the 1967 Iowa State Fair Junior Steer Show, and for his 1967 Grand Champion carcass at the International.

Here are just a few of the reasons
YOU should attend the Hawkeye Downs Steer Sale at 11:00 A. M.
September 21, 1968

REMITALL WIBS NATIONAL

Sired several of the top selling calves in last year's Hawkeye Downs Sale. They are already making a name for themselves in July, and the show season has hardly started. They looked like the right kind at the preview shows. The Rothlisberger herd will again be consigning some of his top sons at this sale.

PARKVIEW CRUSADER KING

This son of Bapton Crusader was 1965 Minnesota State Fair Grand Champion. He has since made an even bigger name for himself as a sire of the modern, meat type kind. In the middle west he and his sire are probably the most consistent carcass sires going today. Torgerson Bros. of Minnesota will be consigning to Hawkeye Downs for the first time. Remember this firm showed the champion carcass at Chicago a couple of years ago.

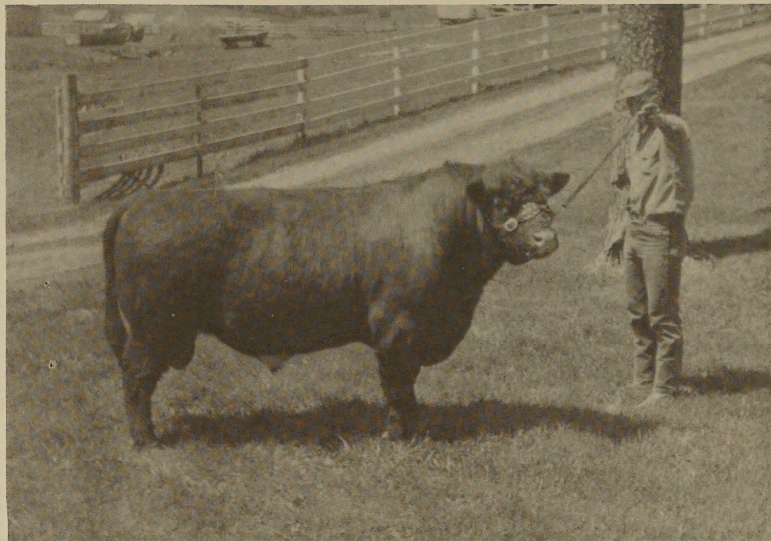

Leonora Hilbert, with Reserve Grand Champion Junior at 1967 International. Here is a son of Bapton Crusader that did well all season for Leonora Hilbert, Laverne, Iowa. Crusader also sired the Reserve Champion-on-hoof-steer in the carcass show at Chicago. These were bred in the Hawkeye Downs area, and several sons of Crusader will be selling in this sale. **WATCH FOR THEM!**

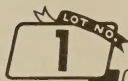

Kraig Schilder, with Champion Shorthorn at 1967 International, Junior Show. This Hawkeye Downs area steer looked good at the Cedar Rapids preview show last year, and kept right on winning at all the major shows last season. Just a sample of how well these area steers stand the test of national competition.

THOMAS MAX 9V x - Was the top selling polled bull at the Canadian International, Brandon, Manitoba. He is now a four year old. He is boss man in our north herd, and will remain there until two days before the Hawkeye Downs sale. The day he steps out, a tremendous, fast growing sound, roan son will take his place. Thomas Max 9V's sire is TPS Max Coronet 92nd, the 1957 International grand champion, and weighed 2450 lbs. His dam is a granddaughter of Calrossie White Emblem, a 2300 lb., \$13,000 white bull who also sired an International Grand Champion. He also sired the dam of Kelburn Great Event. Is there a better pedigree on any polled bull? It would be a little hard to write. Thomas Max 9V is a good sound bull, firm and hard fleshed, a sure breeder.

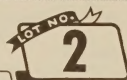

B F ROBUST
A full brother to the 1966 \$12,000 top selling bull
at Hawkeye Downs. Another proven sire.

CROSSBREDS CAN LOOK GOOD!

The Millers of Alta, Iowa, disproved the old philosophy that even if crossbreds grew faster on less feed, they still couldn't compete for looks in the show ring. This steer which was a Shorthorn-Angus cross stood at the top of his class in nearly every major show across the nation last season. His color pattern wasn't traditional Shorthorn, nor was it Angus, but everyone who saw him, had to admire him, for the way he combined the good qualities of both breeds. He certainly could, and did compete with the best that either breed could bring his way.

It might be interesting to note that a good number of commercial men in the Hawkeye Downs area are accepting the fact that crossbreeding does pay. Nearly half of the bulls sold in our March sale went into herds that had cows of another breed. It might also be interesting to note that these commercial cow-calf men gave more money for these bulls than the men who bought bulls to use on Shorthorn cows. This should lead us to believe that the only persons crossing are not fellows with an inferior cow herd, and nothing to lose, as used to be the common belief. They are on the other hand, progressive, forward-looking people who know that facts and figures don't lie, and that quality need not be sacrificed in a crossbreeding program. However, we must remember quality begets quality, and that crossing alone with no regard to the kind of bull we use, will not get the job done.

We heartily urge these commercial men to take a look at these bulls offered in this sale. I feel they are the kind that will work in this type of program as well as being the breed building kind.

She sells with a red bull calf at side, by HTR Mandate 65th who stood 2nd in a good strong aged bull class at Mason City this year. The very best thing I can say about Superb Mayflower A 2 is that she was the dam of HTR Aluana Gift 63, as good a bull as we ever used at HTR. He sired the grand champion female at the North Iowa Fair at Mason City in 1967 in mixed competition. She will be running with Thomas Max 9V until sale day, and could be in calf. If you raise beef cattle for profit and pleasure, here is one that can help you achieve your goal.

BACKGROUND OF GRUNEWALD, INC. --

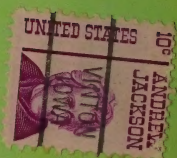

One of the larger cattle operations in southern Benton County. Consists of a 560 acre hill tract where the 160 head cow herd is maintained plus a large crop farm where most of the fat cattle are finished. The commercial cow herd is primarily Angus - all 3 breeds of bulls are used and records indicate that the Shorthorn cross has been their top gainers.

Helen, Henry's daughter, has developed a small herd of purebred Shorthorns. She has exhibited the champion 4H Shorthorn heifer at the Iowa State Fair and Ak-Sar-Ben. Her small, select herd will be on display.
